PIECES OF MEDICAL EQUIPMENT
DONATED IN THE USA AND HONDURAS

We have successfully completed the expansion of the Trade School in Santa Rosa de Copán.

Which now provides technical training to over 1,419 individuals each year. With the addition of a new building and state-of-the-art classrooms, CAMO's Education Department now has a dedicated space for training healthcare professionals in Honduras.

This new facility will cover Cardiovascular Resuscitation from basic to advanced levels, as well as Nursing Protocols.

Another container full of donations from CAMO's generous supporters arrived in Honduras! Thanks to all of our donors who generously give the equipment and supplies for every shipment and to our dedicated volunteers for your hard work, time, care, and love. We expect to send 10-12 containers with lifesaving supplies this year!

We are grateful for our new and experienced volunteers working together to sort through pallets of medical supplies every week! A special thank you to employees from Seaman Corporation for volunteering and learning more about CAMO's mission in Honduras.

HOW YOU CAN HELP

It costs CAMO an average of \$100 to
save one child's life. As a donor, service
group or church congregation, prayerfully
consider helping meet the needs of the poor.

BECOME A CAMO VOLUNTEER

We welcome adult volunteers of all ages and
skill levels. Please call CAMO and use your gifts
and talents to make a difference in the lives of
so many.

“Empowering Tomorrow: Building Sustainable Health, Hope, and Education for Honduras.”

Thanks to your support, we have improved countless lives over the last 30 years. Now, we invite you, your family, and future generations to join us on our ongoing journey to bring hope. To ensure that people in need continue to have access to lifesaving services, we need your help. Join us in our new chapter: “Empowering Tomorrow: Building Sustainable Health, Hope, and Education for Honduras.”

To meet the growing demand for our services and to secure CAMO's sustainability, we are remodeling our headquarters in Honduras. The expanded facilities will not only enhance our medical services but also provide essential space for education and training.

We invite you to be part of our campaign by spreading awareness and contributing financially or in-kind.

We extend our heartfelt thanks to the Home Builders Association (HBA) of Wayne and Holmes Counties for leading a groundbreaking initiative to raise funds for this campaign. Both members and non-members of the HBA are building a home, which will be featured in the Parade of Homes from September 20-22 and 27-29. All proceeds from the sale of this home will support the construction of a medical clinic and educational center for CAMO in Honduras.

Together, we can build a healthier, more inclusive world.
